# 180 Days of LANGUAGE for Third Grade

The  
excited  
bird

Write the correct adjective to complete the sentence.

The 1945 penny was the \_\_\_\_\_ one in my entire collection.

Write the correct adverb to complete the sentence.

It is nice to know that my mom will greet me \_\_\_\_\_ almost every day after school.

Write the plural form of child to complete the sentence.

The group of \_\_\_\_\_ in class all sat still.

Add an -able ending to the base word value. Write the words.

- ✓ capitalization
- ✓ punctuation
- ✓ parts of speech
- ✓ spelling

Christine Dugan

## INTRODUCTION AND RESEARCH

People who love the English language often lament the loss of grammar knowledge and the disappearance of systematic grammar instruction. We wince at emails with errors, such as when the noun *advice* is used instead of the verb *advise*. We may set aside a résumé with the incorrect placement of an apostrophe. And some of us pore (not pour) over entertaining punctuation guides such as *Eats, Shoots and Leaves* by Lynne Truss (2003). We chuckle over collections of bloopers such as *Anguished English: An Anthology of Accidental Assaults upon Our Language* by Richard Lederer (1987).

Even though we worry about grammar, our students arrive at school with a complex set of grammar rules in place—albeit affected by the prevailing dialect (Hillocks and Smith 2003, 727). For example, while students may not be able to recite the rule for where to position an adjective, they know intuitively to say *the yellow flower* instead of *the flower yellow*. All this knowledge comes without formal instruction. Further, young people easily shift between articulating or writing traditional patterns of grammar and communicating complete sentences with startling efficiency: IDK (I don't know), and for the ultimate in brevity, K (okay).

So, if students speak fairly well and have already mastered a complex written shorthand, why study grammar? Researchers provide us with three sound reasons:

1. the insights it offers into the way the language works
2. its usefulness in mastering standard forms of English
3. its usefulness in improving composition skills (Hillocks and Smith 1991, 594)

# INTRODUCTION AND RESEARCH (cont.)

Studying grammar also provides users—teachers, students, and parents—with a common vocabulary to discuss both spoken and written language. The Assembly for the Teaching of English Grammar states, “Grammar is important because it is the language that makes it possible for us to talk about language. Grammar names the types of words and word groups that make up sentences not only in English but in any language. As human beings, we can put sentences together even as children—we all *do* grammar. But to be able to talk about how sentences are built, about the types of words and word groups that make up sentences—that is *knowing about* grammar.”

With the publication of the Common Core State Standards, key instructional skills are identified, such as identifying parts of speech, using prepositional phrases, capitalizing, and correctly using commas. Writing conventions such as punctuation serve an important function for the reader—setting off syntactic units and providing intonational cues and semantic information. Capitalization provides the reader with such cues as sentence beginnings and proper nouns (Hodges, 1991, 779).

## **The Need for Practice**

To be successful in today’s classroom, students must deeply understand both concepts and procedures so that they can discuss and demonstrate their understanding. Demonstrating understanding is a process that must be continually practiced in order for students to be successful. According to Marzano, “practice has always been, and always will be, a necessary ingredient to learning procedural knowledge at a level at which students execute it independently” (2010, 83). Practice is especially important to help students apply their concrete, conceptual understanding of a particular language skill.

## **Understanding Assessment**

In addition to providing opportunities for frequent practice, teachers must be able to assess students’ comprehension and word-study skills. This is important so that teachers can adequately address students’ misconceptions, build on their current understanding, and challenge them appropriately. Assessment is a long-term process that often involves careful analysis of student responses from a lesson discussion, project, practice sheet, or test. When analyzing the data, it is important for teachers to reflect on how their teaching practices may have influenced students’ responses, and to identify those areas where additional instruction may be required. In short, the data gathered from assessments should be used to inform instruction: slow down, speed up, or reteach. This type of assessment is called *formative assessment*.

# HOW TO USE THIS BOOK

With *180 Days of Language*, students receive practice with punctuation, identifying parts of speech, capitalization, and spelling. The daily practice will develop students' writing efforts and oral reading skills.

## Easy to Use and Standards-Based

These activities reinforce grade-level skills across a variety of language concepts. The questions are provided as a full practice page, making them easy to prepare and implement as part of a classroom morning routine, at the beginning of each language arts lesson, or as homework.

Every practice page provides questions that are tied to a language standard. Students are given opportunities for regular practice in language skills, allowing them to build confidence through these quick standards-based activities.

Question	Language Skill	Common Core State Standard
1–2	punctuation or capitalization	<b>Language Anchor Standard 3.2</b> —Demonstrate command of standard English <b>capitalization, punctuation</b> , and spelling.
3–5	parts of speech	<b>Language Anchor Standard 3.2</b> —Demonstrate command of standard English grammar and usage when writing or <b>speaking</b> .
6	spelling	<b>Language Anchor Standard 3.2</b> —Demonstrate command of standard English capitalization, punctuation, and <b>spelling</b> .

**Note:** Because articles and possessive pronouns are also adjectives, they are included in the answer key as such. Depending on students' knowledge of this, grade activity sheets accordingly.

## Using the Practice Pages

Practice pages provide instruction and assessment opportunities for each day of the school year. Teachers may wish to prepare packets of weekly practice pages for the classroom or for homework. As outlined on page 5, every question is aligned to a language skill.

Practice pages provide instruction and assessment opportunities for each day of the school year.

Each question ties student practice to a specific language skill.

DAY **1**

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

**DIRECTIONS** Read and answer each question.

**SCORE**

1.  (Y)  (N) Add quotation marks to the sentence.  
The dog has not been fed yet, my mother told us.

2.  (Y)  (N) Add a comma to the sentence.  
Frank yelled "We are the state champions!"

3.  (Y)  (N) Underline the verbs in sentence A below.  
A Nina walked home quickly to make it in time for her favorite show.

4.  (Y)  (N) Circle the adverb in sentence A below.  
A The man walked around the beautiful park.

5.  (Y)  (N) Circle the adjectives in the sentence.  
The man walked around the beautiful park.

6.  (Y)  (N) Circle the word that is spelled correctly.  
cryes  
crys  
cries

## Using the Scoring Guide

Use the scoring guide along the side of each practice page to check answers and see at a glance which skills may need more reinforcement.

Fill in the appropriate circle for each problem to indicate correct (Y) or incorrect (N) responses. You might wish to indicate only incorrect responses to focus on those skills. (For example, if students consistently miss items 2 and 4, they may need additional help with those concepts as outlined in the table on page 5.) Use the answer key at the back of the book to score the problems, or you may call out answers to have students self-score or peer-score their work.

NAME: \_\_\_\_\_ DATE: \_\_\_\_\_

**DIRECTIONS**

Read and answer each question.

1. Add an apostrophe to the sentence.

.....  
Henry's dog likes to run.

2. Add a comma to the following address.

.....  
12 Hancock Avenue  
Princeville FL 65291

3. Combine the sentences. Include the word *but*.

.....  
Doreen wants to go to the baseball game. She also wants to go swimming.

4. Write a sentence using the noun *childhood*.

---

---

5. Circle the pronoun in the sentence.

.....  
Mrs. Burns wanted to share her pictures with the class.

6. Circle the word that is spelled correctly.

dropp

droped

dropped
